Summary: Basically a transcription of sorts... Macbeth and Worm fused together. Just give it a try, this is a side-effect of excessive Macbeth in our English lessons at school. Rated T for now, will probably change later on.

Act 1 Scene I

A small courtyard behind a high school, **three bullies** enter. Emma through a door next to a container, Madison through following behind, Sophia gliding through the wall in shadow form.

It's raining and a (school) bell can be heard.

Emma: When shall we three meet again?

Morning, lunch time, or after school?

Madison: When the first night out has just begun,

When the dragon's lost and won.

Sophia: That will be 'ere the dawn of sun.

Emma: Where is the place?

Madison: Upon this yard.

Sophia: There to meet MacHebert.

Emma: I come, to Fugly's.

Madison: Daddy calls.

Sophia: Anon.

All: Fair is foul and foul is fair:

Escape through back door and filthy air.

Exeunt

A/N: Alright, there you have it. I'm not sure I'll be able to transform the entirety of Macbeth into a play with Worm characters, but maybe I'll get half-way through. The good thing is that this stuff doesn't take too long to write(most of the time I work on this was spent laughing and breaking into tears because of it).

Anyway, I hope you enjoyed this chapter/scene.

Please leave a review, I really want your thoughts for this one... just to see if you find this as funny as I do.

_PS: I do not own Macbeth, nor do I own Worm, they were created by William Shakespeare and 'Wildbow', respectively. And although I am

not sure who owns Macbeth nowadays, Worm still belongs to Wildbow._
